

• WHAT TO PACK • EUROPEAN ODYSSEY

First of all, the atmosphere aboard is casual. There is no expectation of any formal dress whatsoever; after all, it is an expedition.

Europe is at its best during our voyage, but the weather in these regions is always highly changeable. You should be prepared for a variety of temperatures, with an average daily temperature ranging from a low in the 50's to a high in the 70's.

Below is a packing list developed by one of our expedition leaders. If you have any questions, please give us a call.

- A windbreaker, light sweater or sweatshirt.
- Lightweight raincoat, rain poncho, or umbrella.
- Lightweight rain gear – waterproof pants and jacket – under which you can wear pants and a sweater, to protect you from spray during Zodiac rides as well as from possible rain when you are walking in various areas.
- Two or three different weight sweaters.
- Comfortable walking shoes with rubber soles for use both on board ship and during shore excursions. You may want to take two pairs so that you will have a dry pair if one should get wet.
- Lightweight sweaters. Clothes that can be layered will serve you well.
- Cotton slacks.
- Cotton socks.
- Workout clothing, for use on the ship's fitness center.
- Sunscreen and sunburn relief products.
- Sunglasses.
- Camera, lenses and plenty of film and/or memory cards, and extra batteries.
- Binoculars – one pair per person is highly recommended. Binoculars can add immeasurably to the quality of your travel experience.
- Electrical converter and adapter for your hotel stay (220V to 110V).
- A small backpack or rucksack; a waterproof bag to hold your camera and/or binoculars.
- Travel alarm clock.
- Waterproof insect repellent.
- Note:** Robes are provided in your cabin.
