

LINDBLAD EXPEDITIONS

Lindblad Expeditions is a pioneering expedition travel company that works in partnership with National Geographic to inspire people to explore and care about the planet. As pioneers of global exploration, the organizations work in tandem to produce innovative marine expedition programs and to promote conservation and sustainable tourism around the world. The partnership's educationally oriented voyages allow guests to interact with leading scientists, naturalists and researchers while discovering stunning natural environments, above and below the sea, through state-of-the-art exploration tools.

Our Destinations

Our expeditions take our guests to some of the most beautiful and fascinating places on Earth. They're places we've been going to for decades, yet they continue to surprise and delight us.

Our core destinations include Arctic Svalbard, Antarctica, Alaska, Baja California, Central America, and Galapagos. We also have voyages to many other areas including the Amazon, New Zealand, Africa, British Isles, Egypt, Europe, the Mediterranean, the Pacific Northwest and South America. More information on all of these offerings can be found at <http://www.expeditions.com/destinations>

OUR COMMITMENT TO THE PLACES WHERE WE TRAVEL:

At Lindblad Expeditions, our belief is that a traveler's own individual experience can be life changing — leading to greater understanding, appreciation and stewardship of a place. We believe that once someone has experienced the natural and cultural wonders of a region, they become part of the cycle of helping to sustain, preserve or even repair these special areas of our world.

Our Ships

Lindblad Expeditions owns five ships. These ships include the *National Geographic Explorer*, the *National Geographic Endeavour*, the *National Geographic Sea Bird*, the *National Geographic Sea Lion* and the *National Geographic Islander*.

In addition, Lindblad Expeditions charters five ships — the *Delfin II*, the *Lord of the Glens*, the *Oceanic Discoverer*, the *Panorama*, and the *Salacia* for seasonal expeditions.

Since 1997, Lindblad Expeditions in conjunction with its guests has raised over \$9 million dollars to support local conservation and environmental stewardship efforts in the regions where we travel, and helped other travel companies develop conservation initiatives.

Our Staff

We believe that exceptional leadership and great service are key components to creating life-changing travel opportunities. From our Management Team to our Expedition Staff to our Captains, we pride ourselves in having the most talented and committed expedition staff in the business. With years of experience, our staff make each voyage memorable through sharing their knowledge, enthusiasm and passion for the beautiful and pristine destinations where we travel.

Our Guiding Principles & Organizational Mission

Lindblad Expeditions is steered through a series of ten guiding principles.

- *Ensure that everything we do adds value to the guest experience.*
- *Integrity is our prime equity—never compromise it.*
- *Positively impact the areas we explore and in which we work.*
- *Treat everyone with dignity and respect.*
- *Honor the value of service.*
- *Maintain our expedition heritage by fostering a spirit of exploration and discovery.*
- *Demonstrate leadership; excel in knowledge; inspire others.*
- *Innovate, test and evaluate. Be open to new ideas.*
- *Strive for clarity in communication.*
- *Maintain a balance between adventure and safety.*
