

# ARCTIC CHILL

## R E C I P E

Doesn't require the Arctic, just ice and a desire to savor the moments...

2 parts Vodka

1/2 part Ginger Liqueur (or Ginger Syrup)

3/4 part Fresh Lemon Juice

Dash White Cranberry Juice

Shake on ice, strain into a chilled  
Martini glass, garnish with a Lemon twist

Feel free to adjust the above proportions to your taste. Just a thought: might be nice to serve it as a Frappé—by pouring it over shaved ice!
