ABOARD THE *NATIONAL GEOGRAPHIC SEA BIRD* IN THE SPECTACULAR  
SEA OF CORTEZ | DECEMBER 2017 AND JANUARY 2018

Lindblad  
Expeditions

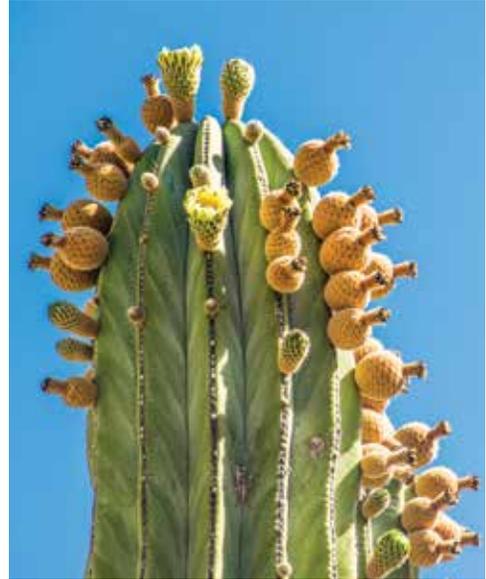

A vibrant sunset scene over a desert island. The sky is a gradient of orange and yellow, with a large, bright sun in the upper right corner. The sea is dark blue, reflecting the golden light of the sun. In the foreground, a large, dark rock formation with a pointed peak rises from the water. The overall mood is serene and dreamlike.

# HAVE YOU EVER FANTASIZED ABOUT A DESERT ISLAND?

A pure, wild island in a deep blue sea. No buildings anywhere. Just miles of white sand beach, azure water, hills to climb, coves to paddle and cacti doing sun salutations. A fire to gather round when twilight pulls the night curtain down. And people there who share the same desert island fantasy you do...

***DREAMS CAN COME TRUE.  
WE HAVE WHAT IT TAKES TO MAKE IT HAPPEN.***

*Sea lion; see a wild cactus garden; you never know when the sea might erupt with dolphin joy; snorkel daily; conquer high hills; maybe catch a mobula ray catching air.*

## HERE IT IS

Meet Espíritu Santo and its small neighbor, Isla Partida, two of the loveliest spots in the shimmering Sea of Cortez. No permanent structures of any kind mar their beauty and these wild, unsullied islands are yours to actively explore and discover. Each day we'll anchor in a new location and you'll have an array of daily choices—do as much or as little as you choose as you revel in the tranquility of this eco-playground.

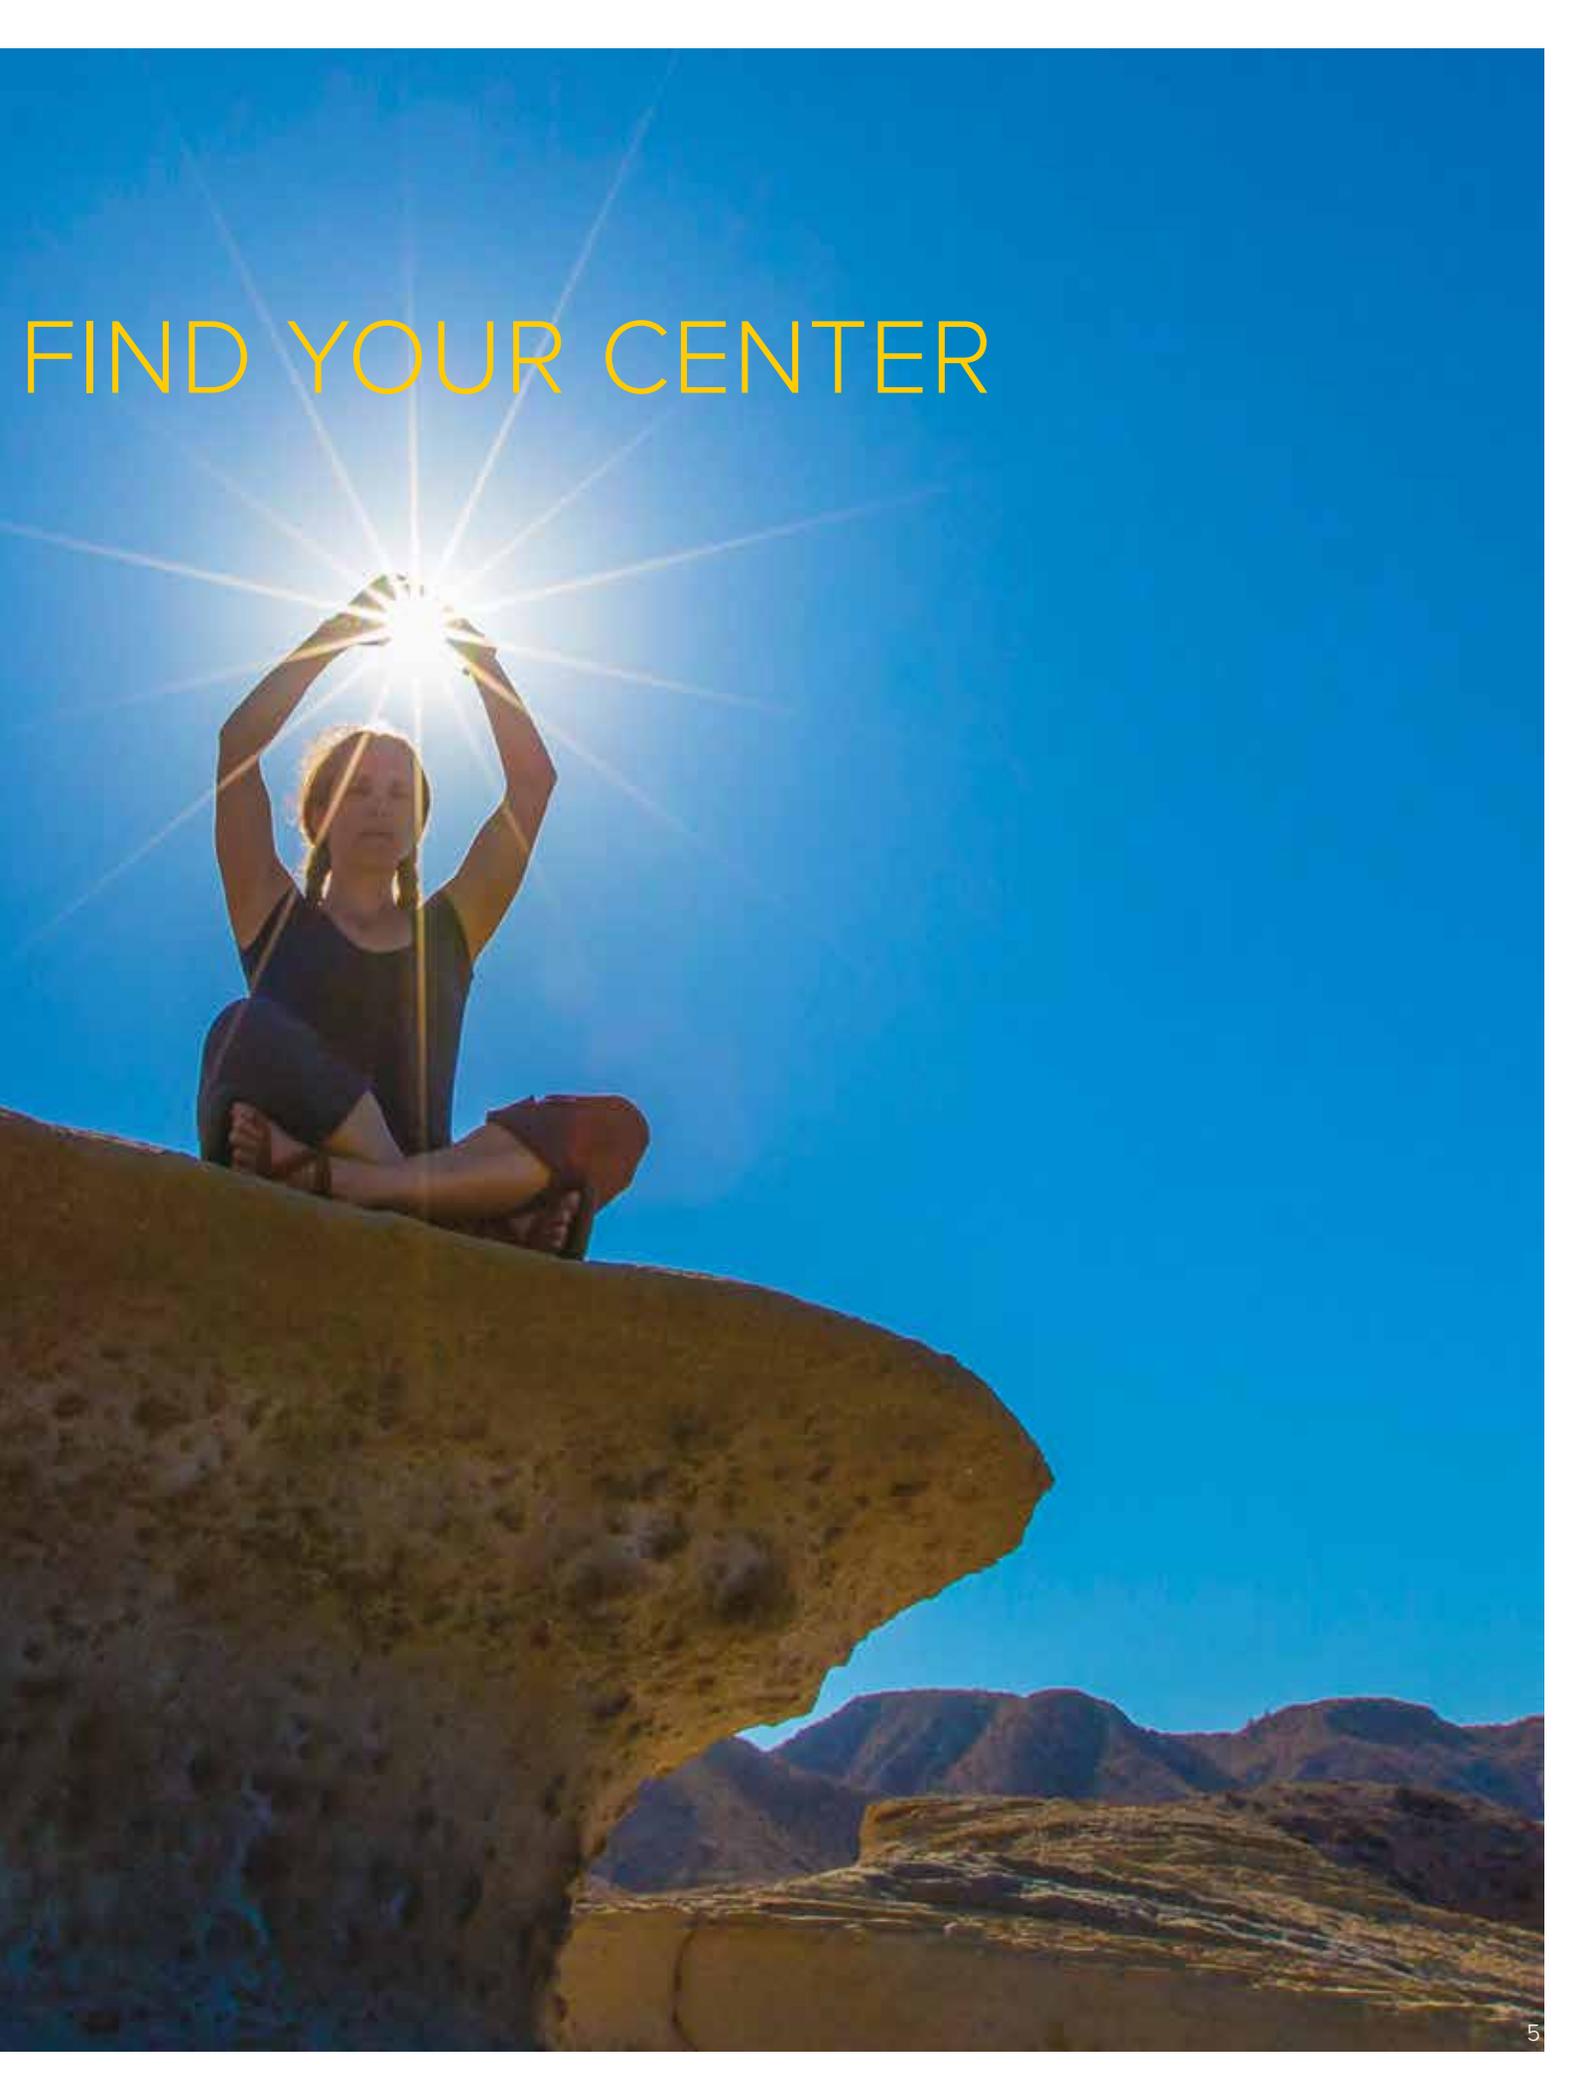

*Left to right: Make landfall on deserted beaches by expedition landing craft; grab a paddleboard and strike off on your own; snorkel with playful sea lions (all the gear you need is onboard); hang out on deck perfecting your spotting skills; use all the cool tools onboard to explore on your own; and exult in the free-roaming feeling.*

# SET YOUR SOUL FREE, WORK YOUR BODY,

With these idyllic islands as your backdrop enjoy exhale's award-winning wellbeing programs. Practice mindfulness with guided meditations or hikes up arroyos for panoramic views. Get into the flow with Beach Yoga, Chill Yoga, or find your balance with a paddleboard yoga class. Energize with an open-air Core Fusion Bootcamp class or cool down with a stretch session. Then unwind from the day with a pre-cocktail neck and shoulder massage on deck.

***THERE'S SOMETHING  
OM-AZING HAPPENING HERE!***

# FIND YOUR CENTER

# REVEL IN PURE WILDNESS

And be as active as you want to be. Explore the dramatically eroded shoreline of Isla Partida on a kayak journey. Or geek out with your naturalists on trail walks, and snorkeling forays where curious sea lions will join in the fun. Start the sing-a-long at the beach BBQ or comb the white sand shores. And with the help of your Lindblad-National Geographic certified photo instructor take your best photos ever in this out-of-the-way, wild, pristine place.

*Untether yourself from land—a ship is a great base camp; up your photo game with help, tips & inspiration from your onboard Lindblad-National Geographic certified photo instructor; kick back at a (wild beach) BBQ.*

# WELCOME ABOARD BASE CAMP BAJA

How to describe it? Base Camp Baja is a brand-new thing: part safari camp, part spa, and part all-ages summer camp, all rolled into one. After each eventful day in this place of incredible wildness and beauty, return to the comforts of the *National Geographic Sea Bird*, your mobile home for the duration. Enjoy an evening cocktail with newfound friends on deck as the sun sets into the sea. Savor fresh, local and sustainable ingredients at every meal. Unwind with a book in the lounge before retiring to your inviting cabin. Life aboard is always casual and the ideal complement to revitalizing days filled with fresh-air goodness.

**THOREAU SAID: WE NEED THE TONIC OF WILDNESS.**

*Photos (clockwise): Lounge with expedition library and flatscreen TVs for vibrant presentations; our friendly staff welcomes you to the bar; breakfast is offered al fresco on the deck; a delicious dessert.*
