GEOGRAPHIC™

Lindblad Expeditions and National Geographic have joined forces to further inspire the world through expedition travel. Our collaboration in exploration, research, technology and conservation will provide extraordinary travel experiences and disseminate geographic knowledge around the globe.

DEAR TRAVELER,

The quality I most care about at Lindblad Expeditions is our collective commitment to meaningful and engaging travel. If we can't deliver an extraordinary experience, we don't undertake it. That's why our focus in Asia is on Cambodia and Vietnam, where we can provide a genuinely extraordinary exploration—on land and aboard the river yacht *Jahan*.

From my years of experience, I can unhesitatingly say you will learn more about this region, experience more, take better photos, and fill your memory bank with a richer store of memories than you could by traveling any other way. In addition to going in depth, traveling with us has the added advantage of being seamless; we handle every aspect on land and on the Mekong—including enabling you to enjoy an exceptional extension. You'll find more on that in the pages that follow.

And you'll discover the *Jahan* in this brochure as well. She is unquestionably the finest ship on the Mekong River, with exquisite craftsmanship, interiors hand-painted by local artisans, and antique fixtures and furnishings. *Jahan* is the perfect platform for viewing the enthralling life and activity along the Mekong. And on land, our bases for explorations are superb hotels (see page 5) each offering a thorough immersion in their respective locales, and the gracious hospitality for which this region is renowned.

You'll share this adventure with a dedicated team, including a certified photo instructor; plus guest experts who will add extra layers of insight to enrich your understanding.

I can think of no better travel opportunity than this. I hope to share the adventure with you in the coming season.

Sincerely,

Tom O'Brien

A RIVER ROUTE THROUGH HISTORY & TWO CULTURES

Rivers are the heart and soul of countries and cultures, a pulsating lifeline. And no river is teeming with more life than the mighty Mekong, which winds its way through the lush lowlands of Cambodia and Vietnam, braiding two different countries and cultures into its vibrant strand. Our dual-natured, in-depth land and river exploration takes us from the heart of Cambodia's 9th-century Khmer empire, at Angkor, to Vietnam's most storied city, Saigon—largely along one of the world's most vivid waterways, the Mekong—with our river ship, *Jahan*, providing an all-five-senses-engaged front row seat.

Angkor Wat, one of the greatest and most beautiful works of antiquity anywhere.

A LAND & SEA EXPERIENCE

Depending on the date you choose, your expedition will begin or end on *terra firma* with Angkor and its incomparable treasures. Then the river takes you—as you voyage between the Tonle Sap River and Vietnam’s Mekong Delta aboard the elegant *Jahan*—to explore traditional villages, gaining insight into the daily lives of farmers, monks, and craftspeople.

SUPERB ACCOMMODATIONS ON LAND & ON THE RIVER

The 48-guest *Jahan* offers a level of luxury not previously found on the Mekong. Her beautiful interiors, combined with the supremely gracious service of her staff, make living aboard a cultural experience in itself. The ship's deluxe accommodations include 24 spacious cabins, two of which are suites. All are configured with queen or twin-sized beds, and glass-door private balconies for enjoying the timeless views of life along the Mekong.

Each hotel we'll stay in when off-ship has been specially chosen for its unique ambience, the attentiveness of the service, and for how it enhances your stay. Over the years we've been staying at these hotels, we've developed special relationships with the staff, who share Lindblad Expeditions' commitment to delivering an exceptional experience.

LA RÉSIDENCE D'ANGKOR

This elegant hotel, a member of the Belmond group, is built in traditional Khmer style and finished in teak and bamboo. The indoors and outdoors are beautifully integrated, with balconies and large windows letting in ample light and allowing for great views of the lush gardens (which make for fine strolling).

PARK HYATT SAIGON

A remarkable combination of colonial and modern elegance, the Park Hyatt is situated in the heart of Saigon, steps from the city's grand squares, shopping streets, and the Saigon River. Its rooms are spacious and beautifully appointed, and its grand public spaces provide a welcoming atmosphere.

Opposite page: Aboard Jahan an attentive, expert hotel staff create a shipboard atmosphere that is more than comfortable. Above (from top to bottom): The sophisticated lobby welcomes guests to the premier luxury Park Hyatt hotel in Saigon; Park Hyatt hotel in Saigon; a room at La Résidence d'Angkor; pool at La Résidence d'Angkor.

CAPTURE THE WONDERS

Angkor offers a wealth of photo ops, and the Lindblad-National Geographic certified photo instructor aboard *Jahan* will be at your side and at your service. From helping you with basic camera function and settings, to tips and advice in the field, he or she will help ensure that you return home with your best photos ever—and a lifelong skill.

Clockwise from top of this page: Angkor Wat; some of the many elaborate carvings at Angkor, many over a thousand years old; a Cambodian monk; photographing Ta Prohm temple at Angkor, where the jungle encircles the ruins; a monk at one of the Angkor temples.

ABSORBING ANKOR

Angkor is a vast complex, and our exploration is designed to reveal its many wonders. We have ample time to learn its history from our expert guides. We'll explore Angkor Wat, the world's largest religious monument, and Angkor Thom, where the Bayon temple's towers reveal hundreds of stone faces, gazing at us across the centuries. We'll see Ta Prohm, where the jungle's twisting vines are slowly reclaiming the temple. And a visit to the fine temple of Banteay Srei shows us its exquisite carvings.

EXCLUSIVELY YOURS, WITH MEANING & MAGIC

A PRIVATE DINNER AT TEMPLE PRASAT KRAVAN

You will enjoy an experience so evocative that many past guests have told us it was the highlight of their voyage. The photo shows the incomparable setting—with gentle illumination conjuring all the temple's mystery and magic, as beautifully costumed dancers, looking like the celestial dancers adorning the walls of Angkor's temples, perform classic music and dance for us as they have for dynasties of Khmer kings and queens. Once offered on select voyages only, this dinner will now be a feature on all our 2018 departures.

DINNER AT HENRY CABOT LODGE'S RESIDENCE

Henry Cabot Lodge Jr. was a distinguished U.S. senator, vice presidential candidate and U.N. ambassador who was asked by both Presidents Kennedy and Johnson to serve as U.S. ambassador to Vietnam during some of the war years. His former home, a lovely French colonial-style house that is a small slice of U.S. and Vietnamese history, has been beautifully restored. We'll enjoy a private dinner there, complete with a performance of traditional Vietnamese music.

TASTE VIETNAM AND CAMBODIA

Although the two countries are neighbors and their foods share many elements, the cooking in each country is distinctive. Whether it's aboard *Jahan*, at fine city restaurants or our private dinners, eating local food on this journey is always a rewarding part of your experience. And you'll always have a choice of continental foods, as well. The result: you'll look forward to mealtimes and culinary opportunities like these:

IN CAMBODIA:

- ✓ *Amok*, a rich curry steam-cooked in banana leaves, is one of the staples of the national diet. It can be prepared with chicken, fish, or a number of other ingredients.
- ✓ *Stir-fried morning glory*, a nutritious leafy green vegetable dish.
- ✓ *Prahok*, a fish paste and a staple used to enhance the flavor of many dishes. We'll see fish used to make prahok being farmed in the Tonle Sap River.
- ✓ A dessert soup made from lotus seeds.

IN VIETNAM:

- ✓ Vietnamese spring rolls (which you'll also have the chance to make during your journey).
- ✓ *Pho*, a noodle soup that can have many kinds of additional ingredients, that has become known and loved all over the world.
- ✓ *Banh xeo*, a sizzling Vietnamese rice flour crepe, stuffed with bean sprouts, onions, chicken or pork.
- ✓ Green papaya salad, crunchy and delicious.

MEKONG RIVER

Part the curtains of your cabin aboard the *Jahan* and see the bustle of morning life along the Mekong and its tributaries: fishermen casting giant nets, children splashing and laughing as women hang colorful laundry where homes float, and the white of a cow or an ibis punches a hole in a tapestried landscape of green and crimson. Your Lindblad-National Geographic certified photo instructor will help you capture scenes like these, in photos you'll be proud to share.

Clockwise from the top of the previous page: colorful fresh produce at the local market; a Vietnamese woman rowing her boat in the Mekong; a ceremonial dance associated with the Vietnamese New Year; transporting rice by boat; feeding the fish at a fish farm; fresh fish for sale at a local market.
