

Download to Your Mobile Device or iPad

Click the “download” button of your preferred eReader format and follow the screen prompts to open the book in your Kindle app, iBooks library, or as a PDF.

Download to Your Computer and Transfer to a Kindle

1. Download *Passport to Anywhere* to your computer’s hard drive.
2. Connect your Kindle to your computer with the USB cable.

Your Kindle appears in the same location on your computer that external USB drives appear.

- o **Windows:** Your Kindle will appear in the **Computer** or **My Computer** folder.
 - o **Mac:** Your Kindle will appear on the desktop.
3. Open the **Kindle** folder, and then open the **documents** folder.
 4. Locate the downloaded file on your computer, and then drag and drop the compatible file into the **documents** folder within the **Kindle** folder.
 5. Safely eject your Kindle from your computer.
 6. For touch-screen devices, make sure you are on the **Downloaded** tab to view your downloaded Kindle content.
