DAY 2: OVERNIGHT HOTEL IN BUENOS AIRES (EXPLORER) OR SANTIAGO (ORION)

Guests traveling aboard *National Geographic Explorer* arrive this morning in cosmopolitan Buenos Aires, set on the Rio de la Plata, and check in to the fine Alvear Art Hotel (or similar). In the afternoon, we have a guided overview of the city, seeing its Beaux Arts palaces, grand boulevards, and the famous balcony forever associated with Eva Peron. In the early evening we gather for an informal reception and a drink at the hotel. (Day 2: L)

Guests traveling aboard *National Geographic Orion* arrive today in Santiago. We check in to the fine Mandarin Oriental (or similar), centrally located in Santiago, and have the morning to relax. Santiago is nearly surrounded by the Andes, which form an inspiring backdrop to our afternoon guided overview of this vibrant city. We explore the Plaza de Armas, the main square, and nearby Presidential Palace, enjoying wonderful views from the many hills that dot the city. In the early evening we gather for an informal reception and a drink at the hotel. (Day 2: L)

DAY 3: FLY TO USHUAIA, ARGENTINA/EMBARK SHIP

Today we fly by private charter flight to Ushuaia, Argentina. Guests traveling aboard *National Geographic Explorer* will fly from Buenos Aires, Argentina to Ushuaia to embark the *Explorer*; and guests traveling aboard *National Geographic Orion* will fly from Santiago, Chile to Ushuaia to embark the *Orion*. This morning's charter flight will bring us over Patagonia before landing in Ushuaia, the southernmost city in the world. If the weather is fine, you'll have a chance to view the spectacular mountains rising out of the Beagle Channel as you enjoy lunch on a catamaran cruise. Then, you'll embark the expedition ship and set sail, (B,L,D)

Guests traveling aboard National Geographic Explorer will fly to and from Ushuaia via Buenos Aires, Argentina.

Guests traveling aboard National Geographic Orion will fly to and from Ushuaia via Santiago, Chile.

DAY 4: AT SEA

We awake this morning well into our journey across the Drake Passage. Lying between Cape Horn and the Antarctic Peninsula, the Drake holds a unique place in maritime lore. Sometimes misty and gray, other times calm and clear, crossing the legendary Drake Passage is unforgettable—a milestone in any adventurer's personal travel history. (B,L,D)

DAY 5-10: ANTARCTICA

With nearly 24 hours of daylight, we make the most of our days, keeping a flexible schedule to take advantage of the unexpected — perhaps watching a 40-ton whale surface off the bow. We are out daily. One day, you may take a Zodiac foray amid towering bergs under a bright sun, walk along the shoreline amid a huge penguin colony, hike to a summit for a breathtaking view, or kayak along a cliff-side rookery in search of blue-eyed shags. And the next, you'll have the thrill of watching the ship crunch through the pack ice, or step ashore to the cries of thousands of gentoo penguins. You'll learn from our experts how to identify penguins and get photo tips from a National Geographic photographer while watching those same penguins. Back aboard, our Undersea Specialist may present video from that day's dive — rare images taken up to 1,000 feet below the surface using our ROV. Our expert staff will craft an expedition where you will learn more, see more and experience more. (B,L,D)

DAY 11-12: AT SEA

As we sail back to Ushuaia, an albatross or two may join the avian escort of seabirds that cross our bow, and our spotters will keep an eye out for marine life. There'll be plenty of time to enjoy a wellness treatment, log some time in the gym, or catch up on the book you haven't had a minute to read. Talks from our staff will reflect on all you have seen and learned.(B,L,D)

DAY 13-14: DISEMBARK USHUAIA/FLY TO BUENOS AIRES (EXPLORER) OR SANTIAGO (ORION)/HOME

After breakfast, we disembark in Ushuaia with some time to explore before proceeding to the airport for our LAN charter flight (guests on *Explorer* fly Ushuaia to Buenos Aires; guests on *Orion* fly Ushuaia to Santiago.) Please confirm departure and arrival cities with an Expedition Specialist before booking your flights. (Day 13: B,L)
